Camp Wightman Registration Information

Registering for camp

There are two ways to register for camp:

1. Online at [www.campwightman.org / summer camp](http://www.campwightman.org/summercamp)
2. Paper Registration Form - please complete and return the Registration Form to Camp Wightman with your non-refundable, non-transferable deposit of \$50 per program for each camper.

Please make checks payable to "Camp Wightman."

Why are there three prices listed for most programs?

Realizing that families have different abilities to pay, Camp Wightman has adopted a three-tier fee structure. You choose the tier most suitable for your family. All campers receive the same great experience, no matter which tier they choose. **Tier I** reflects the actual cost of camp, including food, supplies, insurance, utilities, facility maintenance, staff salaries, and other expenses. **Tier II** is our historically subsidized rate, and does not reflect the full cost of running camp. **Tier III** is a more heavily subsidized rate for those who need assistance to attend camp.

Will you be receiving support from your church to attend camp? If so, please use Tier I as your base price. Thank you.

Please create a package that works for your family. We know for some families this will include multiple campers and/or campers attending multiple programs. We also know some families need additional support for a camper to attend. Through the generosity of many people, we are able to offer a campership program.

Camperships

Through the generosity of individuals and organizations, limited campership support is available to families that need assistance to participate in our programs. Information and application forms are available at www.campwightman.org or by calling our office at 860-376-2179.

We urge you to consider making a donation to the Campership Fund to support those who need assistance in order to receive the benefit of a camping experience.

Confirmation

Shortly after registering, you will receive a confirmation packet with a Summer Camp Newsletter, Medical Forms, Let's Get Acquainted Forms, a Packing List, and other information to help you prepare for a great time at camp. This information is also available at [www.campwightman.org / summer camp](http://www.campwightman.org/summercamp)

Balances

Any remaining balance is due at least three weeks prior to the start of the program. If you anticipate your church or other organization will provide financial support for your registration, please ask them to respect this due date.

Refunds

Full refunds are issued only for cancellations due to documented medical reasons that preclude a child from attending camp, or death in the family. Partial refunds (loss of deposit) are offered for cancellations three weeks or more prior to the start of a program. Except as noted above, there is no refund for cancellations that occur within three weeks of the start of a program.

Returned Payments

Any payments returned for non-sufficient funds will incur a service charge of \$35.

Medical Forms

Each camper must have a full set of properly completed Medical Forms, including a report of a physical examination conducted by a licensed health care professional within three years of the camp program. Complete information will be provided in the camper's Confirmation Packet. Medical forms should be returned to camp at least three weeks prior to the program.

Bunkmate Requests

Bunkmate requests can be made on the Let's Get Acquainted forms included in the Confirmation Packet. Let's Get Acquainted forms should be returned to camp at least three weeks prior to the program.
