Note Regarding Appropriate Clothing for Camp

Ø Clothing brought to camp must be modest -- applies to both genders -- and free of offensive language, sexual innuendo, drug/alcohol promotion, or other imprints that conflict with a spirit of Christian community.

- Shorts/ pants with logos across the rear are not appropriate for camp.
- Excessively tight or baggy clothing not appropriate at camp
- Shorts/pants shouldn't be cut excessively low or hang down.
- Please do not bring spaghetti strap, midriff-baring or halter tops or any see-through clothing.

This list is great for the end of camp as well. That way you're sure not to leave anything behind!
